I hope that the New Year is being kind and generous to all members. The Board voted to change the meeting schedule effective with the February 20, 2016 Board meetings. The Board will start its Executive Meeting at 8:15 AM and will meet until 9:25 AM at which point the Board will move to the Small Social Hall for the Regular Open Board Meeting which will start at 9:30 AM and run to completion at approximately 12 noon. The Board Members will then return to the Board Room where they will resume the Executive Board Meeting at 1 PM to 3 PM. When needed, the Board will resume an Open Board Meeting from 3:30 PM to 5:00 PM in the Small Social Hall for work on By-laws. Due to repeated acts of vandalism the bathrooms in the picnic grounds will be locked until Memorial Day weekend. Anyone using the picnic ground facilities will have a key to use the bathrooms for their event.

Another item of concern is that a number of dog owners are not cleaning up after their dogs have made a mess. The Park has provided a number of "doggy bag dispensers around the Park". The Board and the Management thought our members would use these bags in an appropriate manner to collect the "waste" and then deposit these bags in the nearest Park garbage can or take the bag home to their own garbage can. It was not expected that a member would place a filled bag on or near the Dispenser? Please be a responsible member and a good citizen of the Park and clean up after your pet (s). General garbage in the Park is becoming a problem again; a number of members or their guests are bringing their garbage to neighbor's garbage cans or Park garbage cans. Having Park garbage cans overflowing is not a pretty site or a job Park employees should have to deal with. Please take your garbage home when you or a guest leaves the Park. Another thought would be to join with a neighbor and share the cost of the garbage service. Once you have garbage service, you receive the recycling and green waste cans at no extra charge.

Message continues on the next page...

Harmony, Mutual Respect, Trust, Honesty and Cooperation are the backbone of any Masonic Society, Including Ours.

PRESIDENT'S MESSAGE - *Continued from previous page*

Two other areas of concern are; 1) The condition of the Ocean Street Extension Road. The Board is planning an appeal to the Board of Supervisors to have repairs made to this very necessary Road. Because of the weight limit for our Historic Covered Bridge most delivery, garbage, and propane trucks must use the Ocean Street Extension Road to service the 75 homes located in section 4. This road must also serve as an Emergency Exit Road for the entire Park if Highway 9 is closed for any reason or length of time. 2) The second area of concern is the condition of the San Lorenzo River. Years of forced neglect has allowed this River to become blocked with large logs and overgrown with vegetation both in the river and along the banks of the river. The Board met with a County Representative concerning the condition of the San Lorenzo River and the Boards fear of flooding this winter. It was explained that the necessary permits that would be required from the County, City, Fish and Game, Environmental Protection, the Army Core of Engineers to mention a few would run \$60,000.00 to \$80,000.00 a year, So further study is needed on this subject.

The Board is hoping that we can move to have our Bulletin sent electronically to the majority of members. Exceptions would be made for members that do not have Internet access. As I am sure all you know electronic communication and email is both time-saving and cost effective. It is estimated that if the vast majority of members receive their Bulletin electronically we could save approximately \$6000 a year in material and labor costs for your Park Bulletin. Please try to stay dry and warm during this hard Winter.

Steve, the Manager, will be opening the Social Hall when there are power outages so members can stay warm, use the kitchen if needed, and charge phones and other electronic devices until power is fully restored.

Fraternally,

Nicholas O'Donnell-President PPMC Board of Directors.

PRINTED BULLETIN NOTIFICATION

Beginning with the April 2016 PPMC Bulletin, we will be issuing printed copies only to Members who request a hard copy.

If you wish to continue to receive a "paper" bulletin, please notify the Park Office and we will add you to the distribution list.

Thank you,

Sandy Rauschhuber

PPMC Office Manager

Park Manager Report

by Park Manager, Steve Polizzi

El Nino hasn't been too bad, yet, but we're expecting much more rain throughout the season. If you see water pooling in the roadways, please call the Office or my cell phone (831-345-0879) so we can clear the drains in the area. With questionable cell service in the Park, please make sure to leave me a message – I check my voicemail regularly. The crew is trying hard to keep the streets clear of redwood feathers that clog our drains. So if we can all take a few minutes to clear the fronts of our allotments, it would help greatly!

Please make sure to pay special attention to President Nick's message this month – he covered several items I've expressed in Board meetings and bulletins over the past few months.

As always, if you have any questions or concerns, feel free to call the Office for assistance.

Steve

NEIGHBORHOOD SAFETY

- Santa Cruz County Sheriff Non-Emergency.....(831) 471-1121
- Santa Cruz County Sheriff Emergency.....911
- Steve Polizzi (Cell Phone).....(831) 345-0879

In an emergency ALWAYS call 911 - Do NOT call the Manager, Office or your neighbors/friends, it will delay response to your emergency.

Did you know that cardiac arrest causes 1,000 deaths a day?

Below find more facts about cardiac arrest and AEDs you may be unfamiliar with:

- Every year, cardiac arrest kills twice as many people as colon cancer, breast cancer, and prostate cancer combined.
- Cardiac arrest is NOT the same as a heart attack and can be caused by a number of factors including arrhythmias, electrocution, choking, drowning, and trauma.
- This means everyone, including children, can suffer cardiac arrest regardless of overall health. AEDs can be safely used on children with the help of pediatric pads.
- Cardiac arrest causes the heart to abruptly stop. The shocks administered by an AED restart the heart on a normal rhythm.

AEDs are able to read the heart rhythm of the patient. They will NOT shock someone who is not in cardiac arrest

Board of Directors Minutes - Continued from previous page**P.M. Executive Session**

The afternoon Executive Session was called to order by President Nick O'Donnell at 1:00 pm. Lois, Ken and Michelle were present. Lee Heathorn, VP, was absent.

5.0 APPOINTMENTS

- (a) 1:00 - A Member met with the Board to discuss her problems with a neighbor.
- (b) 1:30 - A Member met with the Board to request the Board to discuss the status of her membership.

6.0 DISCUSSION

- (a) **Accessibility & Accommodation** - There were no requests this month.
- (b) **Mary Snyder (OG&E/Davey Tree)** - At 8:30 a.m. Mary Snyder spoke with the Board about vegetation management. She explained that 19 trees in the York area had been singled out for trimming to an average of 30 feet above the high power lines. She needs the contract signed. The Board voted 4 to 0 to have Nick sign the contract.
- (c) **Employee Handbook** - The Board voted to approve the draft copy of the Employee Handbook with a small change and added that the date on the cover page be changed to December 19, 2015.
- (d) **Upstairs Office Apartment** - A motion was made by Ken Cox and Seconded by Michelle Green to make the up-stairs office apartment available to the manager if he or she chooses to utilize it. The motion passed 4 to 0.
- (e) **Budget Committee Title** - refer to Open Session
- (f) **Members' Dispute** - The Board cannot give one Member information about another member. The big issue is speeding in the park. This topic referred to Open Session.
- (g) **A Member's Complaint** - A Member complained that his neighbors leave trash around their improvement, and it is a health hazard.
- (h) **Pagers** - The Board discussed the possibility of getting rid of pagers. Further discussion will take place in the Open Session.
- (i) **Member's TADS** - Ken Cox reported that the issue with the county having the wrong parcel number for the allotment had been fixed by our bookkeeper.
- (j) **Water Use** - The Board discussed the PPMC water usage and the Water Conservation Committee's report. Michelle informed the Board that if the Park allowed for individual water meters and billed individual members that the Park would be designated a Water District and have to follow California regulations.
- (k) **Ocean Extension** - The question of where the Park's parcel boundary is with regard to the portion of the County's fire road at the back gate and the Ocean Extension was discussed in the Open Meeting. The Board is concerned with that part near the back gate that is sliding toward the river. Michelle will research our County map and report as to what the Park actually owns and where our responsibility starts.
- (l) **Quarterly Financials** - Ken made the motion that our financial statements be made available to our membership on a quarterly basis. Michelle seconded the motion. The motion was approved 4 to 0.
- (m) **Budget Committee** - At the Open Session Natalie Heer suggested that Ken meet with the Budget Committee to let him know what the over-site actions have been. He will report to the Board. Ken recommended delaying the discussion of changing the title of the Budget Committee to the Finance Committee until the decision is made on the assigned tasks.
- (n) **Accounting Policies and Procedures Manual** - Michelle informed the Board that our bookkeeper Nancy Benoit had written an Accounting Policies and Procedures Manual that specifically related to how the Park does business. Michelle agreed that the current manual up for Board consideration did not accurately reflect our Park's procedures and was out-dated. The Board agreed to put aside the proposed manual and have Ken report on Nancy's document before voting to adopt an Accounting Policies and Procedures Manual.
- (o) **Census Fines** - The Board decided not to waive the \$100 fine for Members who did not return the required 5-year census as required by our Bylaws. The Board did agree to offer a payment plan for those Members who requested one. There are less than 30 Members who have still not returned the census. The Board will be contacting these members individually to personally request that the form be completed and returned to the office.
- (p) **River Clean-Up Letter** - Nick will write a letter to the Chairperson of the Board of Supervisors with a CC to all the other supervisors that PPMC is requesting that they allow PPMC to use the same permit procedures granted to the City of Santa Cruz to also allow PPMC to have a bulldozer clean up the debris and bushes in our section of the San Lorenzo River to help keep the Park from flooding this winter.

Board of Directors OPEN Session Minutes - Continued from previous page

7.0 LEGAL

The Board discussed the three legal cases that are going on, a termination of a member and agreed on sending a letter to a Member's attorney.

The Executive Meeting was adjourned at 3:15 pm.

Respectfully submitted, Lois Keithley - BOD Secretary

Minutes of OPEN Session of January 16, 2016

Park Manager Report: Steve Polizzi (read by Office Manager, Sandy Rauschhuber)

1. Steve reported that the Christmas tree recycling area will close effective Sunday, January 24th.
2. Dog poop in Section 6 continues to be a big problem with used bags being left everywhere. If you see someone NOT cleaning up after their dog, please call the Park Office.
3. Bags of household trash have been found in the closed green waste sites recently and the trash/recycle bins at the Social Hall and Park Office have been overflowing with trash from other sources.
4. The bathrooms at the Picnic Grounds are now closed until Memorial Day after finding drug paraphernalia and human feces on the floor next to the toilet again and the bathrooms at the Park Office will be open only during business hours.
5. If you don't have parking available on your allotment, please be respectful and park where your vehicle isn't blocking a portion of the road, blocking signs, or creating blind turns.
6. River Clean-up: Kristen Kittleson with the County will be meeting with the BOD this afternoon (January 16th) to share information on the river.
7. Thank you to Andrew Almanza and Brian Ramos for their hard work.
8. Let's all review and abide by our Rules and Policies so we can all help make this place Paradise again this year!

President's Report: Nick O'Donnell

Nick reported that he has drafted a letter to the Board of Supervisors regarding the river, however he has put a hold on that communication until after the meeting with Kristen Kittleson. He is also working with Michelle Green on investigating our options regarding the Ocean Street Extension issue.

CFO/Treasurer's Report: Ken Cox

Ken reported that he is continuing to address, and is making headway, on accounts receivable. He is working with Walters & Kondrasheff to decrease the cost of our annual audit(s).

Director-at-Large Report: Michelle Green

Michelle reported that she has been working on determining the property line for the Ocean Street Extension. She has learned that Woods Cove owns the land from their houses to the river and on the other side (the "lawyer's house") the property is owned by John Schultz. The City owns the outlet.

She stated there is no such thing as a fire road, that Ocean Street Extension is a "county road" and that we have as much right to request repairs on Ocean Street Extension as we do for any other city/county road. We cannot make any repairs (fill potholes, etc) ourselves.

A discussion from the attending members regarding what we can do as a community to seek assistance took place and it was decided that a letter from our attorney putting the City/County on notice that the ignored erosion of this road is placing our members in a hazardous situation should be written. Lee Heathorn made the motion; seconded by Lois Keithley and passed 4/1 (Michelle Green would like to see a draft of the letter before it is sent). It was suggested by Carol Morgan that we encourage the propane companies, etc, that use the road also to communicate their needs to the City/County in conjunction with our contacting them.

REPORTS FROM COMMITTEES:

BUDGET: Natalie Heer: Verbal

The committee had a meeting scheduled for Tuesday, January 12th, but needed to be rescheduled due to members being ill/unable to attend. The next meeting is scheduled for Tuesday, January 19th.

Board of Directors OPEN Session Minutes - Continued from previous page
Minutes of OPEN Session of January 16, 2015

REPORTS FROM COMMITTEES (continued)

BUILDING: Michelle Green for Leigh Wunce: Verbal

The committee will be meeting on January 27th to review the process and discuss any outstanding requests.

BYLAWS: Tim Heer: Verbal

Two items were addressed: a) Placing of building package and committee manual back into the PPMC Rules & Procedures; and b) Working of formal recommendation(s) to the BOD.

ORIENTATION: Natalie Heer: Written

The Orientation Committee met Thursday, January, 7th.

RECREATION COMMITTEE: Lois Keithley for Fred Dunn-Ruiz: Verbal

The committee met on Friday, January 7, 2016. Items of interest were:

A proposed budget of \$4,500 was created for Fiscal 2016-17. This has been forwarded to the budget committee.

The following items were mentioned as possible expenditures from the Recreation Reserve fund:

- A par course with 5-6 stations sprinkled about the Park
- New play structures, if the current cannot be repaired
- The installation of tennis backboards at the Section 4 courts

The following items were mentioned as possible new events to be sponsored by the Recreation general fund budget:

- An introduction to Pickle Ball with demonstration and instruction on Sunday of the Memorial Day weekend. More later.
- Having monthly dance lessons and dance. It could possibly be an hour of instruction on some type of dance, followed by time to just dance. Music could be records or with a D.J.

Other items to announce are:

There is a potluck tonight hosted by Holly Swanson & Janice Fleming.

We are in need of hosts for the February Potluck and the March Egg Hunt. To volunteer to host the potluck, contact Donna Sorenson or to host the Egg Hunt, contact Fred Dunn-Ruiz.

WATER: Bill Beighe: Written

Committee Recommendation to the BOD January 2016

Authorize up to \$4,000 towards replacing all Park common area toilets before June 1, 2016 that use more than 1.6 gallons per flush (gpf) with units that conform to Santa Cruz County regulation that calls out Water Sense maximum 1.28 gpf. Exact unit selected, permitting costs and potential rebates will affect the ultimate actual cost. The Park has an estimated 15 common area toilets, some of which already only use 1.6 gpf and do not to be replaced others use in excess of 1.6 gpf and those are the primary target. Lee Heathorn suggested the BOD wait on the approval of this request until Steve Polizzi has opportunity to investigate cost for permits.

Implement a process that assures the County Santa Cruz County Code 7.69 is followed upon transfer of improvements that requires the seller to upgrade fixtures following the Santa Cruz County - Low Consumption Plumbing Standards - Toilets: 1.28 gallons per flush (Existing 1.6 gallon per flush toilets do not need to be retrofitted); Showerheads: 2.0 gallons per minute. The Water Committee offers it's assistance with creating the needed form and process.

Approve up to \$4,000 towards the acquisition of 2 three thousand gallon rainwater collection tanks and associated parts to properly install rainwater collection and distribution to benefit the garden and outdoor common area around the office. Estimate based on quote from Scotts Valley. Effort to be supervised by Park Manager and Water Committee with additional labor contributed by volunteers. Valuable only if the BOD approves to outdoor and garden water restriction similar to 2015. Based on roof size and rainfall estimates if we get these in place by early-February we will collect 6,500+ gallons of rainwater that could take care of 100% of garden and other outdoor use mentioned above.

Minutes of OPEN Session of January 16, 2015

WATER: Bill Beighe: Written - Continued

Informational item: 2016 Ad hoc water committee schedule. Once a month always at 4:00 pm in SSH or SH. Feb 8, Mar 7, April 4, May 9, June 6, July 11, August 8, Sep 12, Oct 3, Nov 7, Dec 5.

Informational Item: City of Santa Cruz Rain Barrel Discount Program <http://rainbarrelprogram.org/santa-cruz> . These are the 50 gallon Ivy Rain Barrels for household use. Expect early sell out so act quickly. Purchase on-line – Where it asks for your water account number enter your phone number. City also requests you enter your street address in the "ship to" on the order form. We have talked to the city and tested this approach and it works.

December Recommendation to the BOD – waiting on approval

The committee moved, seconded and passed a motion to recommend to the Board that on a specific date in January members will be asked not to use any water between 3 and 4 am. Now propose January 28 at 3 to 4 am.

Goal is to measure this one hour to attempt to determine how much is leaking / wasted vs. how much is being intentionally used. This is an important first step to identifying water use/waste and will help inform us as to future action needed. Lois Keithley made the motion to approve this project; seconded by Ken Cox; approved 4/1.

NEW BUSINESS:

1. Lois Keithley moved to table the requested committee change from Budget Committee and Oversight Committee to a blended "Finance Committee;" Michelle Green seconded and the motion passed unanimously. Michelle opined that having an outside accountant reconcile the bank statements would likely reduce the cost of our annual audit. Bob Morgan stated that this change would require a Bylaw change.
2. Lee Heathorn discussed the Social Hall being opened in advance of scheduled events/meetings and a discussion ensued about accountability and security.

The Open Meeting was adjourned at 12:55pm.
Respectfully submitted by Sandy Rauschhuber, Office Manager
