President’s Message

I wish to thank everyone for their patience and understanding as your new Board moves ahead in our new year. We have 40% of our board whom are new members to the board and are quickly being brought up to date on our ongoing issues, challenges and opportunities. Your allowing the board to complete our business during the open meeting before bringing your personal concerns, issues, or point of view will allow us to serve you better as your representatives.

A special thanks to an alert park member for notifying our Park Manager when an intruder was found to be in our Park. Because of their quick action and the quick action of Steve and Andrew we were able to secure the arrest of the trespasser within the park. That person will be prosecuted by the city for Breaking and Entering. This was a great example of the park working together as a team to keep PPMC the place we want it to be for our families.

We are closing in on our Labor Day activities. Many people will be in our park, More young children and those of us who are young at heart will be here to participate in all of our activities from the beach, to the tennis and volleyball courts, from shuffleboard, horseshoes to dominoes. There will be many young ones on bikes, walking or playing , or swinging in the green swings. So please, DRIVE SAFELY.

I hope that we can all work together with your neighbors and with the Board, as we move ahead for the benefit of all. Let's work to make the Park the Park of our grandparents and parents as well as the park for our children and grandchildren.

“Our attitudes control our lives. Attitudes are a secret power working 24 hours a day for good and bad. It is of paramount importance that we know how to harness and control this great force.”

Irving Berlin

Fraternally,
Frank Haswell
PPMC Board President

Harmony, Mutual Respect, Trust, Honesty and Cooperation are the backbone of any Masonic Society, including ours.

WELCOME TO OUR NEW MEMBERS FOR THE MONTH OF JULY, 2018

KRISTY PETERSON
NEW MEMBER AT 425 JOPPA

SHELLY GILLAN
NEW ASSOCIATE MEMBER AT 196 ST. BERNARD

TREASURER'S REPORT

It's hard to believe school starts in less than a month!

Thanks to the hard work of our interim bookkeeper, Pat, the 2018 audit is in full swing, and the Park accounting is getting cleaned up. We received the final 2017 audit finally—copies are in the Office if you would like one.

Reminder: I mentioned at the Annual Meeting that the Board will be focusing on Members who are out of compliance with their financial obligations as stated in our bylaws. As of June 30th, we had 4 Members on payment plans totaling over **\$10,500**, and an additional almost **\$75,000** of other outstanding receivables, so there will be no exceptions to the rules where past-due accounts are concerns — the Park is not a credit agency or bank. PPMC is a Corporation with budget restrictions that are affected by Members who don't pay their bills on time. If you'd like to set up a plan to PRE-PAY your TADS in monthly installments, please call Pat or email me so we can get you set up!

Enjoy the rest of your Summer, be safe, and look out for your neighbors!

Warm Regards,
Verdie

MANAGER'S REPORT

Water usage is still way up, even though we're under water restrictions. Our monthly bill has increased by approximately 25% from earlier in the year.

The tennis courts, play areas, picnic grounds and beaches are not dog parks. If you're at any of these areas, please make sure you and your children or guests clean up after using any of the park-provided recreation equipment.

As you may know, Joey has resigned from the PPMC crew—we wish him the best in his next venture. Andrew and I will continue to work on keeping the Park beautiful and clean.

I hope everyone enjoys the rest of their summer.

Steve
