President’s Message

Slowly summer is coming to an end. Many families are returning to a schedule of school for their children and most likely some Starbucks for themselves. One thing that has not changed is the danger of fires in California and by extension in Paradise Park. Cal Fire is poised to implement a total ban on outdoor fires as I am writing these comments for all of our safety. All of us need to cooperate with the boards’ decision to limit and control our personal use of fires. We will change the wienie roast to charcoal briquettes rather than logs as a simple example of what we can do to help save our forest and to cooperation with Cal Fire.

In addition, many members have contacted your board and complained about the consumption of alcohol in public and on our beaches. They are bringing their children to the beaches and do not want them exposed to this activity as well as this in not allowed by our Rules and Regulations. Please respect your neighbors and their children and keep it (alcohol) on your allotment or as the Recreation Committee is doing, apply for a permit for your group function as they have done.

We are looking forward to the Labor Day Weekend within the Park. Let’s make it both appropriate and fun for EVERYONE. The weekend is a great opportunity to reach out and welcome new members into our activities.

Our last Open Board meeting concluded with an open and spirited discussion on many topics from the Annual Audit, to the new Committee assignments, the front entrance and security to mention just a few. Thank you for your participation and spirited debate. When spirited debate turns to smarmy comments it does not add to the meeting but diminishes it. Let’s raise our standards, not lower them.

Fraternally,
Frank Haswell

“It is not so much for its beauty that the forest makes a claim upon men’s hearts as for that subtle something that quality of air that emanation from old trees that so wonderfully changes and renews a weary spirit.”

Robert Louis Stevenson

Harmony, Mutual Respect, Trust, Honesty and Cooperation are the backbone of any Masonic Society, including ours.

MANAGER'S REPORT

Labor Day is just around the corner. Andrew and myself have stayed on top of getting everything ready for the weekend festivities. The only area that we could use some extra hands with is the volleyball court, weeds need to be pulled and then racked out. If you have some free time between now and Friday, the 31st any help would be appreciated.

The **PPMC BOARD OF DIRECTORS** has decided that for the time being, **NO** outside wood fires are allowed on or off your allotment. You can still use propane/gas or charcoal. This is not a CalFire ban, however it is a directive from YOUR Board of Directors, in an attempt to take a proactive step in protecting our forest. If you are hosting a hot dog pot luck in the picnic grounds, please use the charcoal grill rather than the fire ring. Please note the **PUBLIC RESOURCE CODE 4433. Permits Required** states - *"A person shall not light, maintain, or use a campfire upon any brush-covered land, grass-covered land, or forest-covered land which is the property of another person unless he first obtains a written permit from the owner, lessee, or agent of the owner or lessee of the property. If, however, campsites and special areas have been established by the property owner and posted as areas for camping, a permit is not necessary."*

Please read the Rules and Procedures regarding drinking and have a safe and fun Labor Day!!!!

Steve

Happy
Labor Day
Weekend

**The next
Board Meeting
will be held
SEPTEMBER 22nd**

TREASURER'S REPORT

This month, I'm going to skip reporting on financial information and focus on what's going on in our beautiful Park.

I'm saddened to see and hear that a small group of Members have decided to take to social media to bad-talk the Board, the Park rules, and the staff - all based on mis-information from the open session last Saturday. I've also heard, from SEVERAL Members, that guests and Members have chosen to brag about their intent to break our Bylaws and Rules & Procedures. What happened to the mindset of having respect for the rules in our community? So many preach "good Masonic behavior" while breaking the rules and gossiping about the Board, the staff, and their fellow Members, but get offended when they're called to the carpet.

The Board does its very best to institute rules and restrictions for the benefit of the membership, our community, and our forest. The Manager is tasked with enforcement of those rules and/or restrictions, and is often the "messenger", but the Board ultimately makes the decisions that govern our Park. As good community members, those restrictions should be honored as Board directives.

In closing, I truly hope the information I've been hearing isn't true. If it is, maybe it's time for some within our membership to look in the mirror for a minute and reflect on how to become better humans....

Be kind to one another.

Verdée

- › Tickets will be available for pick up on Saturday, Sept. 1st at the picnic grounds, from 10am until 3pm. **PLEASE** pick up your tickets before 3pm. We are much too busy after 3pm getting dinner ready.
- › **ONLY PEOPLE WITH TICKETS WILL BE SERVED. DO NOT LOSE, FORGET, OR MISPLACE THEM. DUPLICATE TICKETS WILL NOT BE ISSUED.**
- › Lobster orders must be placed and paid for by Tuesday, Aug. 28th @ noon. After this date, all lobster orders are final. I will place the order on 8/28. If I wait, I risk not getting the lobster order I want.
- › After 8/28, any new orders or changes will have to be placed and confirmed by Linden Swanson directly to make sure we can accommodate you.
- › Other than lobster, you may change/cancel any ticket order until Friday, Sept. 1st. If your plans change, I can normally sell any tickets that become available to others looking for last minute additions.
- › In all cases, reservations aren't final or altered until paid for.
- › You will **only** be given the entrée that your ticket represents so make sure when you pick up the tickets that it's what was ordered.
- › Please order as early as possible. We have sold out early the past few years and probably will again this year.
- › Hot dog meals come with French fries, a slice of watermelon, and dessert only.

We are ordering the steaks, and lobsters from the order sheets. If we allow someone to take a meal that is different from the ticket, we'll be short a meal for someone else.

LABOR DAY WEEKEND
SATURDAY, SEPTEMBER 1, 2018

NOW IS THE TIME TO THINK ABOUT HOW YOU MAY HELP

There will be both **silent and live auctions**. In order to make this auction a success, **your help is needed**. We would like you and your family to **contribute items** to the auction. You may help by **donating items, soliciting items, helping price the items, setting up the item displays, collecting money at the end and/or helping clean up**. We also need you and your family to **attend the Auction and bid generously**.

- Be a **SOLICITER**. Fred has a list of former local merchant contributors. Please sign up before soliciting, as we don't want to duplicate requests to merchants. Feel free to solicit out of area merchants.
- **DON'T BUY ITEMS OR GIFT CERTIFICATES** to donate; most items sell for less than retail value, **SO DONATE CASH INSTEAD**.
- We also accept **cash/check contributions**. Make checks payable to PPMC. Send to **AUCTION** c/o Fred Dunn-Ruiz at 606 Paradise Park, Santa Cruz, CA 95060..
- If you are a cook, donate "home made" cakes, cookies, candy, tarts, breads, jams, jelly, etc. or even a complete meal. They can be boxed for display and sale or a promise to provide the article at a future, agreed upon date.
- If you are an artisan, craftsperson, please donate some of your work.
- If you have access to commercial products or services, please donate any of those.
- If you have a condo, cabin or vacation house, please donate a week's or weekend's use.
- If you have friends or acquaintances with skills or products, you could ask them to donate.
- If you have a special skill, please donate some hours towards a project. Sample projects include:
 - Putting on a banquet for 8 persons at your or their home
 - Giving hours of labor to repair, paint or clean a house, yard, roof, car, etc.

If you have any questions about what to do, please call Fred Dunn-Ruiz at 831/426-6472.

YOUR INVOLVEMENT CAN MAKE THIS YEAR THE BEST YET

Proceeds from the 2018 Auction will go to the Picnic Grounds Handicapped Bathroom project
