MANAGER' S REPORT

Spring has sprung, so it's that time of year again when everyone wants to get their allotments cleaned up from a long winter and ready for the summer season. I will ask that while doing your allotment cleanup, please don't just limit it to the green waste - take this time to get rid of trash, debris, old yard furniture, broken down cars, tables with stuff on them and boxes next to the street, etc... you get the point. Also please trim back any greenery, limbs, bushes and or suckers that are growing out into the streets. Paradise Park is a very beautiful place, unfortunately when we neglect the above things it takes away from that beauty.

The green waste sites will be opening from 10 May thru 31 May. We will be eliminating some of the regular sites to accommodate the new trailer being able to have access when it comes time to load the green waste and haul it away. If there is NOT a orange bucket there then it is NOT a open site. If you have a lot of green waste to get rid of or if you and your neighbors want to get together and have a cleanup day, weekend or couple of days then call the office and schedule a date and time and I will drop the trailer off at your allotment so you can just load it up and then I will pick it up a take it straight to the dump. This will be on a first come basis.

PLEASE PLEASE PLEASE remind your contractors, family members and neighbors to SLOW down while driving thru the Park and that the entrance road is ONE WAY and not an exit road! With the weather getting nicer and summer around the corner there will be more people out walking and kids playing, so we ALL need to slow down and be more cautious. If you see us out working in the streets and our backs are to you, and you need to pass, just give us a honk to get our attention. Don't just swerve and speed by.

Memorial weekend cleanup will be May 24th, 25th and 26th. We will be cleaning the covered bridge; this is going to be a big job so the more hands the better. I will have more details and a sign-up sheet as we get close.

HAPPY SPRING!!

Steve

MONEY MATTERS

As of the typing of this report, we have 2 Members who haven't paid their April TADS and 1 that has partially paid — thank you to those of you who paid on time and in full!! Unfortunately, we have a few Members who didn't make their April 1st Escape Tax payments, so if you haven't paid yours yet, PLEASE call the Office and take care of that ASAP! Those Members who have not met their financial obligations, you'll be receiving Suspension letters shortly. And for those of you who are already suspended for not paying your December TADS, expect termination documentation. As fellow brothers and sisters in Masonry, it should never have to come to this, but ultimately, the Board would be doing a disservice to the membership if we allow Member delinquencies to continue.

With Spring here, the Park is already busier. With the influx of Members and their visitors comes increased water usage and higher bills. Please be conscious of how much water we're using and conserve as best you can.

Enjoy the warmer weather!!

Regards,
Verdie

Reports from Executive Meeting – Verdie Polizzi on behalf of Clora Johnston

Executive minutes read & approved- February 16th, 2019. Motion to approve by Bruce, Second by Mark, Passed 4-0.

Manager’s Report

Manager Steve Polizzi informing that he has extra Green Waste cans, if the Park Crew isn’t using them. Contact Manager if you are in need. Steve reporting that there was a recycling can, as well as a trash can on the front porch in the small closet area. Often these cans were over stuffed with Member mail/ boxes that were not broken down for recycling, excess trash and Member mail. As a result, Steve removed these cans from the front area. Since removing these cans Members have been tossing trash, opened mail and discarded items on the floor of the porch closet. This is completely unacceptable to the Office staff and crew. Steve reporting that trash cans that are around the Park are often over stuffed by Members with excess spilling onto the ground. Again, an unacceptable situation. Steve disappointed to say the least. Member Sam Cannon reporting as well that as a Part time Member, it is disappointing to come into the Park for a visit and find that his, personal trash cans, have been filled up by other Members. Member Sharon Simas encouraging all Members to be required to have waste cans even if they are part time members. Board to look in to this requirement. Board Member Verdie volunteering to contact Green Waste and try to get a list of participating Members. She would also like to see this requirement enforced.

President’s Report

President Frank Haswell reporting that most of his time was spent working on the bids received for Park projects. More information to come.

Treasurer’s Report

The Board met with Member Fred Dunn-Ruiz this morning regarding the handicapped bathroom project at the picnic grounds and the finance questions surrounding it. Fred will be working towards city permits to continue the process. CFO Verdie reporting that PPMC will be charging off old accounts and getting rid of old, bad debt. Goal is to start fresh in an effort for future audits to be done easily. The audit is done. Once the final copy is received, Verdie will make sure there are copies of it in the Office. CFO Verdie clarifying the term “Reserve Funds” vs. Operational funds. i.e. the resurfacing of the Social Hall floors fell under Reserve Funds, not operational funds. Reserve funds are separate, its’ own entity, very clear. Member questioning Verdie about Member payment plans- Answer: only 2 members remain on a payment plan. Member Bob Morgan asking about future audits and a new accounting firm. Answer: Yes, Board looking into a new source for audit services.

Committee Reports

Accommodation & Accessibility—Septic system at the picnic ground is now cracked as a result of root growth. A-1 Construction is working to repair and move septic away from large tree.

Budget Committee—CFO Verdie, Budget Committee Liaison reporting that the committee was able to put together 2 Budgets. One showing the actual cost to run the Part, the other is a “Zero Budget”. Water costs will be around \$210K this year. “Zero Budget” would require serious member service cuts. Motion was made by Verdie to accept the Zero Budget. Discussion followed, and cost of water was discussed. Members believing that the Park needed to change its status as in the past it was viewed as an apartment complex. Manager Steve clarifying that he has talked to the water dept. who has done away with the old status restrictions. Water costs are simply going up. Manager Steve volunteering to contact the Water Dept again on Monday. Member Sam Cannon wanting information from the Water Dept. and believes if mistakes have been made the Water Dept can be forced to make changes. Board then continued with Motion that was made regarding the Zero Budget. Second was received from Bruce Wildenrad and vote taken. Vote was 3-1 with Mark Gienger voting against.

Building Committee – No Report

APPROVED Board of Directors OPEN Session Minutes Cont. March 23, 2019

ERT—Chairman Dick Lovelace providing an update on CERT trainings. Committee is building up reserve Members, but more are always needed. Team always in need of younger, stronger members. If interested, please contact Dick Lovelace. Insurance—Chairperson Sharon Simas reporting the Committee met on the 22nd of March. Committee had a lot of questions which resulted in a call made to Britt Thompson, our insurance broker. Britt to meet with the Committee in the coming weeks to clear up questions.

Long Range Planning – No Report

Orientation - No Report

Recreation – April 20 will be the Easter Egg Hunt in the Picnic Grounds. Lunch will be at 12:00 with the Hunt at 1:00. The Recreation Shed has a lock that had been vandalized. Clarification – The Recreation Committee purchased new glassware, warming trays and kitchen items for the Park. These were purchased using funds made from the Labor Day Picnic. There are rumors circulating throughout the park that this was done so that the Social Hall could be rented out to Non-Park Members. This is not the case. Items were sorely needed and necessary. Tami MacDonald, Chairperson, reporting that there will be a Park Wide yard sale. There will be no flea market this year, but Members are encouraged to take part in the yard sale. Will be held Saturday July 6th from 9:00-Noon. Not a park fundraiser. Each Member that participates will receive individual sales. Annual Meeting will be at 1:00 that day so Yard sale will not hinder. July 7th will be the All Wheels Parade.

Staking—Bear Butcher reporting that a verification of 440 York was done. Pending Stakings include 451 York, 648 St. Augustine and 592 Keystone Way. Reports to follow when complete.

Tree – One request received from 177 St. Bernard. Has been approved by the Tree Committee. It is an 18” redwood that is to be removed. Motion made to approve request my Mark Gienger, second by Bruce Wildenradt -Passed 4-0

Result was three candidates: Verdie Polizzi, Frank Haswell and Joe Mayo. 2 candidates to be voted in this year. New Member Joe Mayo was introduced to the Members. The Board of Directors thanking Joanne and the committee for working so hard on the nomination committee. Board realizes it is a lot of work and it is appreciated by the Board and all Members.

Building request was made by 210 Keystone Way for a 4’ fence that meets new fence requirements. Motion made by Mark Gienger to approve fence only and requesting additional information of Member request for additional landscaping. Discussion followed regarding landscaping questions and Board involvement. Second was then made to accept request. **Board vote 4-0.** Landscaping questions continues with question of landscaping being used as a fence. Possible need for a new committee to encourage native planting and good recommendations.

APPROVED Board of Directors OPEN Session Minutes Con't. March 23rd, 2019

Crew/Fire Vehicles—Manager Steve proposing that the PPMC pickup trucks, both with issues, be traded in for a “new” pickup truck as well as a dump trailer. This would remove the need to purchase a new, very costly, dump truck and would also eliminate the need for an outside source to remove green waste, resulting in a large expense being removed. Manager Steve also proposing the elimination of the Brush truck which is not operational. Proposing instead to purchase Fire Gator (small utility vehicle able to cross bridge, and go up hillsides like Shrine Way). This vehicle would be able to service Section 4 with out bridge concerns. Also, able to hook up to hydrants and carry 100 gallons of water. All funds for these purchases would come from the RESERVE Fund, not Operations. Mark Gienger noting that this is the first step in the reorganizing of the Fire Brigade. Update the fire equipment first, then continue in the process of updating and reorganizing the team. Motion made by Bruce to purchase the Dump Trailer and Pickup truck with maximum of 42K spent. Second by Mark Gienger. **Passed 4-0.** Fire Gator to replace Brush Truck equals long term savings. Motion made to approve purchase of Fire Gator not to exceed 35K. Second by Bruce. **4-0 Passed.**

Keystone Way Resealing— After sending requests for quotes from 5 vendors, Steve received 2 bids for the resealing of Keystone Way— one from Earthworks for \$44,400.00 and one from Graham Contractors for \$48,211.00. Again, bid request was sent out to 5 different companies, these were the only two that responded. Slurry Seal is extremely common procedure, and both contractors use CalTrans-used slurry seal. Motion made by Frank to accept the bid from Earthworks. Board Member Mark Gienger requesting additional information not included on the bid regarding removal of stumps and speed bumps. **Tabled until next month.**

Roofing Bids for Office and Garage— Manager Steve has received 3 different bids for the roofing of the Office and Park Garage. Knox Roofing - \$87K, Ariana Roofing - \$39K, Moriarty's Roofing – \$92,840K. Discussion regarding difference in bid prices and reason for it. Sharon Simas again, encouraging the Board to talk with Member Dick Tippett who has extensive experience with Bidding procedures. Dick Tippett not in attendance. Board Member Verdie clarifying These bids include removal of all old roofing Materials. Motion made by Mark G. to approve Ariana Bid, not to exceed \$45K. Second- Bruce. 4-0 passed.

Security Cameras - Steve updating all on the success of the security cameras installed recently. Not only have they been helpful for PPMC but have also been used to help the Highway Patrol in search of drivers trying to avoid arrest. Steve asking to add 6 cameras to be placed at the picnic grounds, on the bridge, the front porch of the office, etc. Motion made by Mark to approve purchase and installation of additional cameras. Second by Bruce. Passed 4-0

OPEN FORUM

Member Elizabeth Arzouni reading to the Membership a letter regarding her suspension for involvement in a Board Directive violation. Elizabeth stressing her displeasure and concern that procedures were not followed correctly. Elizabeth believes she is being held liable for another Members actions. Answer from the Board- Second Member has been handled already and Member has come before the Board. Elizabeth adamant that she has been treated unfairly and is willing to seek legal counsel if necessary. Elizabeth also questioning her statement and invoices from the Park office. Confused as to why it is written that she is 90 days late. Board clarifying that it is an issue with the computer system used (Quick books) and many Member invoices say the same thing. She is not being singled out. Elizabeth requesting a mediation/meeting with the Board. President Frank Haswell asking if she can meet this afternoon? Elizabeth response- No, I am busy today. We must have a large representation and get important information to these county and city representatives. Board promising to circulate a flyer with meeting information, included information in the upcoming Bulletin and work to promote.

Member Question- Would it be better to have a front gate vs. Security Cameras? Full time Security Guard? Answer: Guard way too costly. Cameras that will be added are put in at a very reduced rate by Sterling Communication which is a Member's company, well worth it. OTHER RELEVANT EXPERIENCES: That about covers it. Also, on a small scale, I have been the Treasurer for my Home Owners Association in Spokane for several years.

REASON FOR RUNNING:

I was born June 1, 1960 in Logan, UT during finals week when both of my parents were students at Utah State University. I spent the first three months of my life in my grandparents' cabin (521 St. Ambrose) while my Dad worked nights at FMC and my Mom went to San Jose State during the day. In September of that year, my folks returned to Logan. My Dad graduated from Utah State in 1961 and my folks returned to the Bay Area. My Mom graduated from San Jose State later that year. In 1967 my folks moved us from San Jose to Portland, OR. I have been in the Park for at least a few days every year since 1960. In 2018, I spent more than eleven weeks in the Park.

I love the Park. Many of my life long best friends are now 3rd generation members. I have the time and experience to contribute something to the Park, and now as a member, I can do so.

As noted in a few spots above, my businesses have strong management teams in place, thus it is not necessary for me to spend substantial amounts of time in those businesses. Consequently, I should have no problem personally attending board meetings or other park functions.

WHAT DO YOU BELIEVE TO BE THE FUNCTION OF THE BOARD?

It is not a question of what I "believe" the function of the board to be. This is simply a legal question; and the answer to that question has long been settled in corporate law throughout the United States, including California. The Board of Directors of any corporation, including a non-profit corporation like PPMC, is elected by its shareholders or members to operate the corporation. The Directors, individually and collectively, have fiduciary duties (such as good faith, care, and loyalty) to act in the best interests of the corporation (PPMC).

2019 BOARD CANDIDATE

VERDIE POLIZZI

696 St. Johns Ave — Section 4

FAMILY: My husband, Steve, and I have 3 adult children, 2 younger sons (they're usually seen riding around the Park with their "crew"), and a grandson. My mom, Diana Cook, also lives in PPMC in the Powderhouse.

PARK MEMBER SINCE: My grandparents purchased our original family cabin at 526 St. Ambrose in 1957, so I'm a 3rd generation Member in the Park. Originally, I joined as a Member in 1993 and raised my kids in Paradise before moving out of state. I returned to California in 2013 and in 2016 applied for, and was blessed with, Membership again.

ASSOCIATE MEMBER: My daughter Lyndia, a future 4th generation Member, is currently applying for Associate Membership. She and her brother both grew up in Paradise Park, and have a great appreciation for our community.

MASONIC AFFILIATIONS: As a 3rd generation Masonic affiliate, and child of a Master Mason and Shriner (1999 Potentate), and an Eastern Star and Amaranth mom, I joined Valley Star Chapter #141 in 1986 (shortly after turning 18).

EDUCATION: I graduated from Willow Glen High School in San Jose in 1986, and as a single mom raising 2 teenagers and working full-time, I also studied Nursing in 2003/2004 in Colorado.

CAREER SUMMARY: While not a "career", I grew up in a business-minded family with CEO and CFO parents who owned and ran a commercial printing company. At approximately 8 years old, I learned how to manage the business's general ledgers ("the books") and all aspects of bookkeeping. I was raised with business sense and a hands-on understanding of the responsibilities involved with running a corporation.

I've had an array of professions over my 35+ years of employment. In my youth, I worked in retail as a vault employee, doing heavy cash handling, preparing deposits, bookkeeping and being responsible for maintaining records regarding the monies received and distributed for the company. So at an early age, I was putting my accounting skills, attention to detail, confidentiality, and multi-tasking abilities to work.

Later, I spent many years serving our country as a Department of the Army civilian employee, initially as a Medical Support Assistant in an Emergency Room while I attended Nursing school. Later in my Federal career, I worked for the Office of the Staff Judge Advocate (JAG) and the Special Assistant US Attorney (SAUSA). I finally found my "calling" when I decided to attempt Emergency Services Dispatching, and fell in love with it! As such, I was able to put my legal and medical experience/knowledge to work while having the honor of working with law enforcement, firefighters, and ambulance crews for approximately 9 years. These positions required maintenance of confidential documentation, adherence to strict federal regulatory requirements, knowledge of legal procedure, the ability to effectively research local/state/federal law, preparation of witness questioning for the SAUSA, and the ability to manage meetings with public officials in professional hospital and legal settings.

OTHER RELEVANT EXPERIENCES: As your 2017-2019 CEO/Treasurer, I've reduced the outstanding Accounts Receivable owed by the Membership by over \$130,000 (from almost \$180,000) and have made it my mission to ensure open, honest lines of communication with the Membership regarding our money and how it's being managed. I honor and follow our bylaws, and while it hasn't made everyone in our community happy, have followed-through with holding the membership responsible for doing the same. I've worked closely with the Park Bookkeeper to ensure the entire Board has a true picture of the Park's resources, accounts, and budget status. While serving, I like to think I've represented the Park in legal matters with professionalism and tact. I've worked directly with Corporate Counsel, mediators, and other attorneys to manage 5 potential/threatened and existing lawsuits and have attended every Court hearing and mediation the Board has been tasked with since joining the Board. I've also done extensive research about each of these matters to ensure I had the information needed to make good choices for the Corporation and Membership.

REASON FOR RUNNING: After serving the Membership for almost 2 years, I'd like to continue the forward progress being made with ongoing continuity. I learned very quickly after being elected, that it would take a while to truly get my "feet wet". After the first year, I finally felt comfortable in my position and have spent the second year fixing the issues I discovered while learning my "job". I would very much like to continue the trends of reducing the outstanding debt to the Corporation, keeping the Membership informed about the status of the Park finances, and improving our community.

WHAT DO YOU BELIEVE TO BE THE FUNCTION OF THE BOARD? The Board is entrusted by the Membership to make good, just, educated decisions for the Corporation. When one volunteers to become a Director, they need to be willing to live up to their promise to: do the research needed to make educated decisions; attend Committee meetings, Board meetings, Court hearings, mediation, Town Halls, etc.; be open and honest with the Membership; and understand that "Board Director" isn't just a title – it's an honor granted by our fellow Members who put their trust in us to do what's in the best interest of the Corporation.
